

# WETMORE VINEYARD

LIVERMORE VALLEY

## CABERNET SAUVIGNON

FAMILY OWNED

Our Wetmore Cabernet Sauvignon is named after one of the Livermore Valley's most prominent pioneers, Charles Wetmore, California's first agricultural commissioner renowned for planting vine cuttings from many of Bordeaux's top Châteaux in the temperate Livermore Valley in the 1880s. The descendants of vines Wetmore brought from France thrive today in the gravelly loam soils of our certified sustainable estate vineyards between the Arroyo del Valle and the Arroyo Mocho, streams flowing from the southern hills of the Livermore Valley. From their origins in Margaux in the 19th century to the present, only the best of these Cabernet Sauvignon vines have been selected for each new generation planted.

### WINEMAKING

Fermented in stainless steel tanks and pumped over at least twice daily. Aged for 18 months in 40% new French oak and 60% second and third use French oak barrels.

### TASTING NOTES

The 2021 vintage Wetmore Cabernet Sauvignon impresses with its unwavering commitment to the varietal's essence, displaying exemplary structure and a lavish richness. Upon opening, the wine immediately captivates with its quintessential red currants and cassis aromas, underscored by a subtle yet pronounced oak influence reminiscent of roasted cocoa nibs and intricate hardwood nuances. These alluring scents pave the way for a palate experience characterized by a generous depth of fruit, accentuated by layers of ripe plum and hints of earthiness that persist through a satisfying finish.

### FOOD PAIRING

Enjoy this hearty wine now with juicy cuts of grilled beef, baked five-cheese lasagna, and English meat pies. Strong cheeses such as Blue and Roquefort will find their match here but so will a classic Manchego, salami, and brined olives.

### COMPOSITION

90% Cabernet Sauvignon  
7% Petite Sirah  
2% Petit Verdot  
1% Malbec

### ALCOHOL

14.5%

### PH

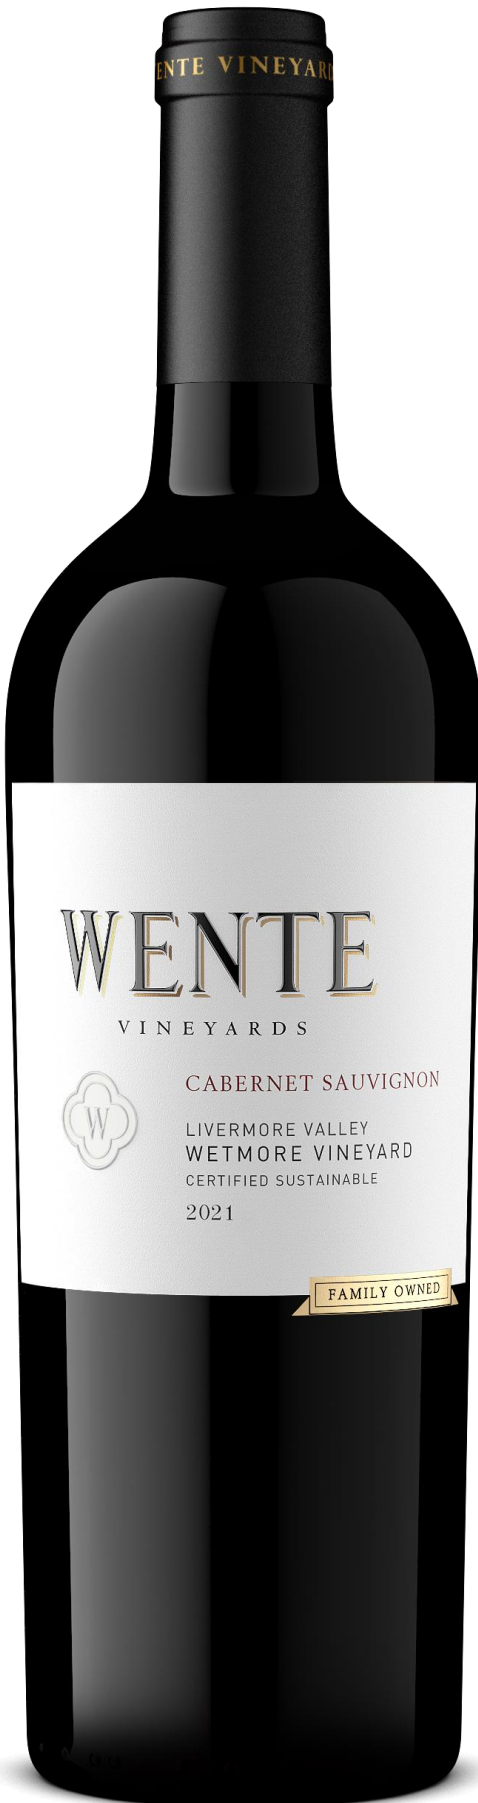

3.63

### TA

0.60 g/100 ml

### RELEASE DATE

March 2024

Wente Vineyards is a Certified California Sustainable Vineyard and Winery. Less than 10% of all California wineries have received this certification.
