Docket No. TTB–2022–0014; Notice No. 219A, Ref: Notice No. 219]

RIN 1513–AC84

Proposed Establishment of the Wanapum Village Viticultural Area; Proposed Name Change to Beverly, Washington**AGENCY:** Alcohol and Tobacco Tax and Trade Bureau, Treasury.**ACTION:** Supplemental notice of proposed rulemaking.

SUMMARY: The Alcohol and Tobacco Tax and Trade Bureau (TTB) is soliciting comments on a proposal to change the name of the proposed “Wanapum Village” American viticultural area (AVA) to “Beverly, Washington.” The proposed AVA area is located in Grant County, Washington and is entirely within the existing Columbia Valley AVA. TTB designates viticultural areas to allow vintners to better describe the origin of their wines and to allow consumers to better identify wines they may purchase. TTB invites comments on these proposals.

DATES: TTB must receive your comments on or before December 4, 2023.

ADDRESSES: You may electronically submit comments to TTB on this proposal and view copies of this document, the original notice of proposed rulemaking, any supporting materials, and any comments TTB receives on this proposal within Docket No. TTB–2022–0014 as posted on *Regulations.gov* (<https://www.regulations.gov>), the Federal e-rulemaking portal. Please see the “Public Participation” section of this document below for full details on how to comment on this supplemental proposal via *Regulations.gov* or U.S. mail, and for full details on how to obtain copies of this document, its supporting materials, and any comments related to this proposal.

FOR FURTHER INFORMATION CONTACT: Mimi Torello, Regulations and Rulings Division, Alcohol and Tobacco Tax and Trade Bureau, 1310 G Street NW, Box 12, Washington, DC 20005; phone 202–453–1039, ext. 432.

SUPPLEMENTARY INFORMATION: The original petition for the proposed Wanapum Village AVA was submitted by Kevin Pogue, a professor of geology

at Whitman College. Dr. Pogue submitted the petition on behalf of Zirkle Fruit Company and local vineyard owners and winemakers. The proposed AVA covers approximately 2,415 acres and is located entirely within the existing Columbia Valley AVA in Grant County, Washington. Notice No. 219, which proposed the AVA, was published in the **Federal Register** on November 28, 2022 (87 FR 72927), and the original comment period closed on January 27, 2023. TTB received no comments in response to Notice No. 219. For a discussion of the distinguishing features and name evidence of the proposed AVA, see Notice No. 219.

Petition To Change the Proposed AVA Name

After the comment period closed, the petitioner requested that TTB change the name of the proposed AVA based on a request from members of the Wanapum tribe who expressed concerns about the use of their tribe’s name for an AVA. To address those concerns, the petitioner amended his petition to instead request the AVA be named “Beverly, Washington.” No information regarding the proposed AVA other than information related to the name evidence has changed from the information published in Notice No. 219.

Beverly is the name of a small, unincorporated community that lies entirely within the proposed AVA. Name evidence provided in the petitioner’s amended request includes a Wikipedia page describing the community of Beverly as established around 1905 by H.R. Williams and named after the city of Beverly, Massachusetts. The 2017 edition of the 1:24,000-scale topographic U.S.G.S. quadrangle map included with the original petition and used to draw the proposed AVA boundary is labeled “Beverly Quadrangle” and contains the community of Beverly. Further current name usage provided by the petitioner includes the name “Beverly” on local road signs along WA Hwy 243 and the intersection of Beverly-Burke Rd and WA Hwy 243. One of the vineyards located within the proposed AVA is named “Beverly Vineyards,” in addition to a local apartment complex named Beverly Apartments.

TTB Determination

After reviewing the petitioner’s request to change the name of the proposed AVA and the supporting evidence, TTB believes that the request has merit. TTB is issuing this supplemental notice of proposed

rulemaking specifically to seek comments on the new proposed name of “Beverly, Washington.”

Impact on Current Wine Labels

Part 4 of the TTB regulations prohibits any label reference on a wine that indicates or implies an origin other than the wine’s true place of origin. For a wine to be labeled with an AVA name or with a brand name that includes an AVA name, at least 85 percent of the wine must be derived from grapes grown within the area represented by that name, and the wine must meet the other conditions listed in 27 CFR 4.25(e)(3). If the wine is not eligible for labeling with an AVA name and that name appears in the brand name, then the label is not in compliance and the bottler must change the brand name and obtain approval of a new label. Similarly, if the AVA name appears in another reference on the label in a misleading manner, the bottler would have to obtain approval of a new label. Different rules apply if a wine has a brand name containing an AVA name that was used as a brand name on a label approved before July 7, 1986. See 27 CFR 4.39(i)(2) for details.

If TTB establishes this proposed AVA, its name, “Beverly, Washington,” will be recognized as a name of viticultural significance under § 4.39(i)(3) of the TTB regulations (27 CFR 4.39(i)(3)). The text of the proposed regulation clarifies this point. Consequently, wine bottlers using “Beverly, Washington” in a brand name, including a trademark, or in another label reference as to the origin of the wine, would have to ensure that the product is eligible to use the viticultural area’s name, “Beverly, Washington.” The approval of the proposed Beverly, Washington AVA would not affect any existing AVA, and any bottlers using “Columbia Valley” as an appellation of origin or in a brand name for wines made from grapes grown within the Beverly, Washington AVA would not be affected by the establishment of this new AVA. If approved, the establishment of the proposed Beverly, Washington AVA would allow vintners to use “Beverly, Washington,” “Columbia Valley,” or both AVA names as appellations of origin for wines made from grapes grown within the proposed AVA, if the wines meet the eligibility requirements for the appellation.

Public Participation*Comments Invited*

TTB invites comments from interested members of the public on whether TTB should establish the proposed “Beverly,

Washington” AVA, which was originally proposed as the “Wanapum Village” AVA in Notice No. 219. Please provide any available specific information in support of your comments.

Because of the potential impact of the establishment of the proposed Beverly, Washington AVA on wine labels that include the term “Beverly, Washington” as discussed above under Impact on Current Wine Labels, TTB is particularly interested in comments regarding whether there will be a conflict between the proposed area names and currently used brand names. If a commenter believes that a conflict will arise, the comment should describe the nature of that conflict, including any anticipated negative economic impact that approval of the proposed AVA will have on an existing viticultural enterprise. TTB is also interested in receiving suggestions for ways to avoid conflicts, for example, by adopting a modified or different name for the proposed AVA.

Regulatory Flexibility Act

TTB certifies that this proposed regulation, if adopted, would not have a significant economic impact on a substantial number of small entities. The proposed regulation imposes no new reporting, recordkeeping, or other administrative requirement. Any benefit derived from the use of a viticultural

area name would be the result of a proprietor’s efforts and consumer acceptance of wines from that area. Therefore, no regulatory flexibility analysis is required.

Executive Order 12866

This proposed rule is not a significant regulatory action as defined by Executive Order 12866. Therefore, it requires no regulatory assessment.
